UK DECLARATION OF CONFORMITY

issued in accordance with the applicable UK product regulations
Document reference DoC-SS-UK-001, Revision 1.0
Note: CE marking is accepted for placing this apparatus on the Great Britain market indefinitely. This UK Declaration of Conformity and the associated UKCA marking are therefore optional and are held so that either route can be used. Apparatus placed on the Northern Ireland market must carry the CE marking and is covered by DoC-SS-EU-001.

1. Apparatus model / product

Product	StylusScope Model 1 — audio analyser for the measurement of vinyl record playback stylus condition
Type designation	SS-M1
Hardware revision	V4
Serial numbers	SS 0001 and subsequent
Brand	Paul Grand Audio UK

2. Name and address of the manufacturer

Life-Changer Ltd.
18 Old Lane, Manchester M11 1BE, United Kingdom
Contact: info@passivepreamp.com

3. Responsibility for this declaration

This declaration of conformity is issued under the sole responsibility of the manufacturer.

4. Object of the declaration

The StylusScope Model 1 is a mains-isolated electronic measuring instrument powered from a 5 V DC USB source, housed in an anodised aluminium enclosure, with analogue RCA phono inputs, a USB-C power input, a USB-A port for a memory stick, a colour display, and a supplied 1 m USB-A to USB-C power cable. No AC power adapter is supplied or specified. The apparatus contains no radio transmitter or receiver in operation.

5. Conformity

The object of the declaration described above is in conformity with the relevant UK legislation:

S.I. 2016/1091	The Electromagnetic Compatibility Regulations 2016
S.I. 2012/3032	The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012, as amended

6. Designated standards applied

Reference	Title
EN 55032:2015 EN 55032:2015/A11:2020	Electromagnetic compatibility of multimedia equipment — Emission requirements. Class B applied.
EN 55035:2017 EN 55035:2017/A11:2020	Electromagnetic compatibility of multimedia equipment — Immunity requirements. Residential environment applied.
EN IEC 63000:2018	Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

7. Approved body

Not applicable. Conformity has been assessed by internal production control.

8. Additional information

Test report	T-Network Kft. EMC Laboratory, H-1142 Budapest, Ungvár u. 64-66, Hungary. Report EMC-260825, tests carried out 24 August 2026.
Technical documentation	Held by the manufacturer at the address in section 2, under index TF-SS-000, and retained for 10 years after the last unit is placed on the market.
